

## Haiku vs. Tweet

Five seventy five

And you believe seven score

is, like, way too hard?

## Super String Theory?

*(or where Neil DeGrasse Tyson & Michio Kaku meet)*

Eternity is

blips on a string on the space-

-time continuum

## A Post-Script for "Super String Theory"

(I know you can't split  
the space-time continuum.

But nee-ner, nee-ner!
